05-Sep	19	North Petherton v Taunton V.
		Taunton D. v South Petherton
		Ilminster v Minehead

Ladies County Triples League 2026

Dear Captains, League Secretaries, Match Secretaries

Please find the fixtures for the 2026 season, there are 14 playing Saturdays which constitutes the league season within a 19 week period, all games must be played within this time frame.

Referring to the Rules the following applies ~

5) a) Fixtures will be played on set Saturdays. The set Saturdays to be used shall depend on the number of teams in the division.

c) Before the commencement of the season, with prior agreement of both teams and the permission of the Ladies League Secretary, the fixture may be re-arranged to be played on any other Saturday (or Sunday) between the 1st May and the final league Saturday. It is expected that the number of re-arranged matches will be kept to a minimum.

Please be aware that for 2026 the vacant dates include the 3 John's Trophy days (6th & 20th June /11th July) also all clubs who enter National Championships or Competitions should not offer or accept a League Saturday date and then endeavour to re-arrange that League game during the 'play by date' section of those competitions.

Permission for changing league fixture dates will more likely be granted where there are clashes with major Club events such as, Finals day / Club Tour etc.

I would ask that any necessary changes are agreed by both Clubs and permission sought ASAP. Please note that weekday options will only be considered by the League Secretary under extreme circumstances in order to be fair to all participating clubs.

Clubs will be notified of any minor rule changes later in the year.

I am actively seeking a new Region Secretary and will pass on details when I have that information.

Lesley Paterson Ladies League Secretary. Tel: 07813459902 lesleyapaterson@btinternet.com
